MESSAGE FROM NPTC CEO Steve Courtoreille

Due to the CoVid-19 Global Pandemic and the State of emergency that Alberta called and the fact that we have over 50 staff, North Peace Tribal Council Office will be closed, until further notice.

- Staff will be working remotely.

MEDICAL TRANSPORTATION SERVICE:

As a precautionary measure, Medical Transportation Services will not be operating the Van Service to Edmonton, Peace River and Grande Prairie, effective Wednesday, March 18, 2020.

- This is simply a precautionary measure to ensure the safety of our clients.
- We are requesting to clients to cancel or postpone all non- emergent medical appointments.
- We are also asking that if clients feel they need to make it to their appointments they travel via private vehicle.
- However, if you do not have private transportation to contact your Community Medical Transportation Clerk who will work with NPTC MTS who will arrange your trip privately.

HOME CARE CLIENTS:

Clients will be seen based on need, as prioritized by the Home Care Nurse. Please contact your Home Care Nurse if you need to discuss further.

- Once again, this is all a precautionary measure.

CHILD & FAMILY SERVICES:

Please contact the Crisis Unit after hour's number at 1-800-638-0715.

- For any Child & Family services concerns or if you know of a child that is in need of intervention, please call this number.

Respectfully,

Steve Courtoreille, CEO
